**Please Help P.S. 8 By Participating In Our Community Directory. We need 100% Participation!**

This important fund-raising project for our school also happens to be a great way for us to connect with each other. Last school year, parents used it to arrange playdates, plan events, and look up teacher names. This is a totally **CONFIDENTIAL** directory for the exclusive use of the P.S. 8 community and your information will not be provided to any advertisers, businesses or outside entities.

This is popular way for local businesses wishing to express their support for PS 8 in the form of advertisements. Individually this publicity is inexpensive, but collectively it could raise thousands of dollars for P.S. 8. As DOE funding shrinks, so it falls upon us to raise the money needed to sustain fabulous PTA-funded initiatives, like our much-loved Enrichment Programs. To achieve this goal we need to rely on all the fundraisers we have at our disposal.

This is why the school directory is a win-win idea. However, the project cannot succeed unless parents provide their contact information. **Even those listed previously must submit their contact information again for the new year.** So at this time we are asking all parents to:

1. Complete the attached form.
2. Return by first day of school, **September 9<sup>th</sup>, 2009** to your child's teacher.

Please email if you have any questions.

Thank you in advance,
